Course Overview

MODULE A: Religious Support and Staff Operations. This module provides a basic overview of Religious Support Fundamentals and how a Battalion level UMT operates as part of a Battalion Staff.

MODULE B: Religious Support in a Unit Setting. This module Introduces how UMTs operate in a unit setting. The focus is on developing Basic Human Interaction skills and planning/executing Battalion level UMT programs. Students will demonstrate basic understanding of RS operations in a non-tactical environment through a series of practical exercises and facilitated discussions.

MODULE C: Religious Support and Preparation for Deployment. This module provides an overview of Battalion UMT activities in an

operational environment. The focus is battlefield awareness and how Religious Support is incorporated into the mission.

MODULE D: Religious Support in an Operational Environment. This module provides 56Ms an introduction into casualty ministry and conducting risk management in a tactical setting. The STX trains and familiarizes 56Ms with Warrior Tasks Battle Drills while in a tactical setting combined with a Religious Support exercise in the Computer Simulation Center involving scenarios for a deployed BCT. The focus is to evaluate 56Ms on Religious Support Tasks in a rigorous field environment.

MODULE E: Administrative Requirements. The administrative module does not count toward Academic Hours.

56M10 AIT is a 7-week course that completes the transformation of civilian recruits into Religious Affairs Specialist trained in basic religious support. It trains and assesses 12 critical skill level one tasks.

Students tracks battlefield movement on a map.
